

CALENDAR

RoSPA Road Safety Congress 2007

26–28 February 2007, Stratford Upon Avon, UK. The theme of the 2007 congress is “Encouraging Education in Road Safety”. Further information: <http://tinyurl.com/pv3wz>.

16th International Conference on Safe Communities

11–13 June 2007, Tehran, Iran. The conference will focus principally on the impact of safe communities on road safety, although it will also consider home safety, child safety, prevention of violence, safety in disasters and crises, the safety of older people and occupational safety. Further information: <http://safety2007.info>.

World Water Safety 2007

27–29 September 2007, Porto, Portugal. The conference will be designed for those with an interest in exchanging information globally on the latest developments in prevention, rescue,

and treatment of drowning and other aquatic injuries. The hosts are the Instituto de Socorros a Náufragos (ISN) and the Associação de Nadadores Salvadores (ASNASA). Further information: <http://tinyurl.com/y7esew>.

Injury Prevention Network Aotearoa New Zealand Conference 2007

29–31 October 2007, Napier, New Zealand. Visit <http://ipn.org.nz> for more information.

4th Asian Regional Conference on Safe Communities

21–24 November 2007, Bangkok, Thailand. The theme of the meeting is *Incorporating global thinking: cultivating local strategy*. The conference will be followed by a visit to a site of the 2005 tsunami. Further information: <http://safethai2007.com>.

9th World Conference on Injury Prevention and Safety Promotion: Safety 2008

15–17 March 2008, Merida, Mexico. The conference will give special attention to the

processes of globalization and their implications for injuries and violence. The WHO is urging governments to address the two main themes of violence and traffic accidents. The conference will also emphasize the global patterns in technological and epidemiological transitions, proposing international collaboration as a fundamental strategy for the design and promotion of policies for injury prevention and safety promotion. Early registration and the call for abstracts are already open. Further information: <http://safety2008mx.info/ing/index.html>.
