

Appendix B: Intervention Education Post-survey

Firearm Injury and Mortality Prevention (FIMP) Module 2

Post-Session Survey

The following survey questions are meant to evaluate and improve today's educational session. We greatly appreciate the time you are taking to respond. **This survey should take approximately 10 minutes to complete.** Please select the response choice that best fits your answer.

Please be specific in your responses. This is a new initiative, and the FIMP Team is committed to providing additional education and making improvements to this session. We value your feedback, and welcome you to share any thoughts, comments, and suggestions.

This survey is anonymous, so please answer as honestly as possible. If you have any questions, concerns, or comments, please email us at FIMP@northwell.edu
